## **Burns Club Members commemorating the last few days of the life of Robert Burns our National Bard.**

Members and friends enjoyed fellowship celebrating his Life and Work. Tributes and respects paid at the following events. Starting 18 July 2007 at Brow Well Service on the Solway.

Commemorating his father William Burness, Presbytery Elder of the Auld Kirk of Ayr, who encouraged his family to worship there.

22 July 2007 Burnsians were most privileged to join the congregation to pay our tribute.

The Annual Commemorative Wreath Laying Service at the Robert Burns Statue in Burns Statue Square Ayr, was extremely well attended with dignitaries from several organisations laying wreaths.

Members of the public took part and enjoyed the singing of Auld Lang Syne around the Statue.

Following the January storm damage to the Wallace - Burns Cairn, Leglen Wood, Auchincruive, we were delighted to be able for the Annual Open Air Service to take place there.

The weather was warm and sunny and it was extremely well attended. Sermon, readings, recitations and songs of an extremely high standard were enjoyed by all those present.
